

## **Driving Directions**

**(All directions are from the 5 southbound)**

### **San Clemente State Park District Office (drop off first day and occasional field trips)**

- Exit Calafia and turn Left onto Ave Del Presidente
- Proceed south through the stop sign
- Turn Right into the State Park District Office
- If you pass the school and pedestrian bridge you have gone too far

### **San Clemente State Park (daily drop off and pick up)**

- Exit Calafia and go straight down the hill towards the water
- Turn left into the State Park and go up the hill to the Kiosk
- Tell the kiosk worker that you are picking up or dropping off for JG's

(Please stop every time unless you are waived through and obey all posted speed limits)

- Proceed through the park and into the large parking lot at the end of the road.
- The trailhead is located in the northern most corner of the parking lot.
- Please do not drop off or pick up at the trailhead to the south as it is for emergency vehicle traffic only.

The Junior Lifeguard program is run on the beach approximately 500 yards to the south of the trailhead and Tower 1 at San Clemente State Park. JG's can either be dropped off and picked up at the trailhead or you can walk them down to the program if you'd like. We are responsible for the JG's on the beach from 9am to 3pm. It is your responsibility to ensure they arrive at the program on time and get back to the trailhead at the end of the day. In years past most JG's walk in small groups to and from the program. Getting together with some friends and walking together is the best way to go. Please be aware that we will not tolerate any JG walking on or near the railroad tracks. We will stress this the first day during the orientation walk but please ensure that your child knows that this is an offence punishable by possible suspension from the program for a day.

As always, please call if you have any questions or concerns.
